Subject : ***Invitation to International Conference on Agricultural Postharvest Handling and Processing***

Dear Professor Kudang,

We are pleased to invite you as speaker in the **International Conference on Agricultural Postharvest Handling and Processing** to be held on November 19 - 21, 2013 at The Sultan Hotel, Jakarta. Theme of this conference is "***Breakthroughs in Postharvest and Processing Tehnology As The Backbone of Tomorrow's Green Economy.***"

As an invited speaker, you are kindly requested to prepare and present a paper with topic "***Bioinformatics: Status and Development in Food Industry in Indonesia.***" We are very optimistic of your attendance and active speech will contribute much in making the conference a fruitful one for the development of agricultural products, especially in Indonesia.

It is my sincere hope that you will accept my invitation. I would be grateful if you could confirm your participation by **August 12, 2013** to icaphp2013@litbang.deptan.go.id cc: icaphp2013@gmail.com. We will remain at your disposal for any further information and follow up arrangement. Thank you for your kind cooperation and we are looking forward to your positive response.

With best regards.

Sincerely Yours,

Dr. Ir. Kasdi Subagyono, M.Sc
Acting Director General
